

April 27, 2010

The President has asked us to publish a short report on this page occasionally to let you know what has happened in this office during the first quarter of this year.

In January I was able to attend the Motorcycle Supershow in Toronto and spend a little time at our booth there. In February I attended a meeting of the 2014 Convention Committee in Charlottetown PEI, and let me say that it sounds like we are in for a great time when we get there. This will be one Convention that I will not want to miss. In April I attended the Executive Board Meeting in Syracuse NY which turned out to be a marathon experience with 44 items on the agenda and almost 16 hours of meetings Friday evening and Saturday. The rest of my time has been spent replying to emails requesting information about the club, answering questions from our Chapters and Members, communicating with prospective new chapters and keeping up with E-board business.

So far this year I am averaging 25 hrs and 40 min per month on Club business.

I would still like to publish a newsletter for the Region and am still looking for an editor. If you think you might like to take this on, PLEASE let me know. I don't think it would take a lot of your time, as I would hope that articles for each issue would be sent to you by the chapters and it would just be a matter of arranging them for publication

As the weather warms, I am looking forward to some great riding. I hope this year to be able to visit a number of chapters in the Region again and to ride with them. I intend to ride in the Worlds Largest Poker Run with ON 7 on May 1st and will be attending the Ontario Convention in July, the International Convention in August, as well as, the Canadian Fallen Firefighters Memorial in Ottawa in the fall.

Please remember that this office is open to you. If you have any questions, comments or suggestions, please do not hesitate to contact me.

Respectfully Submitted
Henry Heideman
RKMC
Eastern Canada Director.
